HAUNTED REVIEWS

WITH YR PAL BIG GAY DRAC

The Ten of Hearts:

Old Biker Bar in the Hollow owned and
run by the Chorus. Taste: 5, Crowd: 5

New Babylon

RECENTLY Reopened after a fire. Still filled
with drunk College kids from UBPT. Owned by
Tina and Erik, and I think a demon idk.
Definitely has the fire and brimstone smell
down. Taste: 6, Crowd: 1

Grounds For Divorce

Look. Big Gay Drac is not into the ladies
so I cannot judge it on that front. I CAN
say that it is the least worst club I've
ever hooked up with a closeted bouncer in.
Taste: 10, Crowd: 5

PALE LADY TAVERN

Big Gay Drac usually loves a good dive bar but
this place smells like raw sewage. Taste: 1.
Crowd: -5

NEXT MONTH:

We force
Drac to
go to the
Social Clubs
of the House
Undying.

HOT SINGLES IN YOUR AREA!!!

Is Salem da Costa still hunting for her wicked witch? Our EXCLUSIVE interview with the owner of Bridgeport's hottest Haunt.

S: Drac's a sweetheart. I want that on the record.

F&B: I think he's giving the Grounds a review this issue.

S: If he gives my club less than an 8 I'm going to fuck his mom. I want that on the record, too.

F&B: I don't think that's how his scale works.

S: Eight out of ten is a state of mind, Liz! He doesn't need to put a score on it. I'll know.

F&B: You have high standards. How did you come to open your...

S: Avant Garde Sapphic Vampire Strip Club, yes.

F&B: Right. What's the story there?

S: Well, once upon a time at band camp. A deeply repressed girl from the Catholic School finally worked up the courage to ask one of the cheerleaders out on a date. She broke my heart, and I ran into the woods while everyone else jeered at me. Do you know what happened after that? I got hit by a bus and became a vampire. The Grounds For Divorce is born from that rejection.

F&B: Is that true?

S: No, I'm fucking with you.

F&B: What's the real story?

S: I was the cheerleader.

F&B: You do have a reputation as something of a heartbreaker.

Before we discontinued our classified pages, you were a prolific lonely heart. Have you finally found someone special?

S: Oh, yes! Your mother.

F&B: Ha ha ha!

S: I'm not joking. Marie is a lovely woman. We met at the Terminal Velocity gig before Babylon closed.

F&B: You're fucking with me.

S: You didn't see her announcement on FriendMe? She told me she texted you about her plans tonight, and everything. I'm picking her up at eight for dinner at Paganelli's.

F&B: I have no idea whether you're joking.

S: I'm deathly serious. I think she's going to propose.

F&B: You know we can't print any of this, right?

S: I told Ambs that if she printed it, I would let her in for free.

F&B: This interview is over.

S: See you at Thanksgiving, Liz!
